- **Growth** in sales demand, new markets, new products/services OR
- **Decline** in sales demand from existing clients or new clients OR
- **Other challenges** in the market place e.g. staffing, increased competition, prevailing economy, technology etc?

If you answered yes to any of the above then EBEC, through the Small Business Development program, can assist you to:-

- Maximise productivity through induction, training and performance management;
- Attract, recruit and retain the right people . become an Employer of Choice
- Develop an effective team oriented workplace culture;
- Meet your legal obligations and responsibilities e.g. OH&S, workplace relations, The Fair Work Act 2009;
- Deal with the constant changes and challenges in your day to day operations;
- Maintain work life balance and more ð ..!

How: By offering you the opportunity to participate in a program specifically designed to deliver a relevant, informative, fast moving and highly interactive program comprising:-

- 8 business breakfast workshops
- Coaching and mentoring
- Networking with like minded and positive business owners/managers
- Recognition of Prior Learning, leading to a nationally accredited Diploma in Business,

Cost: While you would normally expect to pay in excess of \$4 000 to obtain a Diploma in Business through the usual training channels, this program delivered in conjunction with a Registered Training Organisation (RTO) is being made available for the all inclusive cost of just \$2 200 plus GST.

Participants to the program will also receive free membership with Eastside BEC for 12 months.

You may also be eligible to access training subsidies to help in meeting the cost of the program.
